

**President's Report
Stephanie Malaney**

I want to thank members for the time and effort you have given to the league for another busy year. This year we focused on educating voters through forums, assisting with voter registration, Women's Equality Day, and speakers. We also focused on matching our current goals, needs, and membership through strategic planning. Finally but not least we focused on our position statements through our studies and Lively Issues. Although we accomplished many things, our focuses show us there is still room for more work. Thank you again to all your efforts.

Congratulations to those who ran for office and those who won. I know you will be good leaders.

**Treasurer's Report
Barbara Kelly**

The 2015-16 financial report and the proposed budget for 2016-17 are included in this annual meeting packet. Thanks to Stephanie Malaney, Shirley Strange, Miriam Douglass, Sara Companik and Sue Kinde for serving on the budget committee, and to Miriam for chairing it. We continue to work to make the budget more nearly reflect likely expenditures. The amount designated "transfer from savings" is included for purpose of balancing the budget. We have rarely ever actually needed to use it. As of this writing, there has not been a fund raising mailing yet this year, so the contribution amounts are a bit low. The reason Non-member in-kind donations are high has to do with an in-kind contribution of advertising on Radio 91.1 The Avenue.

We still believe that our budget should fully cover costs without depending on members to make as many in-kind contributions. The budget proposal document includes actual YTD (through early April) expenses including in-kind for each line item. I will have a printout of the actual YTD costs through the week before the Annual Meeting if anyone would like to see that.

Account Balances as of 5/02/2015

CD 18955	\$5,000.00
Checking Account	\$9534.85
Total	\$14,534.85

I continue to enjoy serving as your Treasurer, and hope that my reports are helpful to all of our understanding of LWV Appleton operations.
