Women's Equality Day

August 26 of each year is designated in the U.S. as Women's Equality Day.

Instituted by Rep. Bella Abzug and first established in 1971, the date commemorates the passage of the 19th Amendment, the Woman Suffrage Amendment to the U.S. Constitution, which gave U.S. women full voting rights in 1920. On February 14, 1920, suffragists met to transform the movement into the League of Women Voters to help educate women to be responsible voters.
